to mention in this Bye-law "President, Vice President, Health Officer".

Bye-law 11 'Such' in line 1 may be omitted.

In this bye-laws appears to provide vendors under a daily permit. It is not clear if such have to pay anything more than the gate fee. Enquire.

Bye-law 13. Do. The meaning is not clear as the bye-law has been badly worded

Bye-law 15. The object of the levy of this fee is not clear. The levy of 'Gate Fees' does not seem to be within the scope of Sec 48 (1)(a)(xiv). If this fee is being levied from a long time, it should have been included in the Schedule appended to the Rules framed under Sec 46(1) of the Mul Regulation

Subd. The levy of this fee obtains in the municipality & its collection is farmed out. It is not known if it is levied under proper sanction. The Contractor collects the fee from the villagers wherever they may dispose of the vegetables in the town City. The rates of market fees entered in App X to the Admn Report for 1909-10, 10-11 & 11-12 do not agree. The rates entered in the Bye-law are excessive.

Is this in addition to the Stall rent? If so, it is hard. Enquire. If it be only for occasional vendors, Bye-laws 13 to 15 require revision.

Bye-law 18 This has to be worded better.

(i) Bye-law 13. This bye law may be recast so as to make it clear what is intended.

(ii) Bye law 15. It is not clear whether the levy of Gate fee is in addition to the Stall rent.

If it is meant to affect only Occasional Vendors, Bye-laws 13 & 15 require Suitable revision.

The authority for the levy of gate fee, at present, should be quoted. The need for increasing the present rates and the differences between the rates furnished in Appx X to the Administration Reports for 1909-10, 1910-11, and 1911-12, respectively should be duly explained.

(iii) The suitability of substituting Orr's Model bye-law No 8 relating to markets (quoted in red ink on page 3 of the draft bye-laws) for bye laws 17 and 18 may be Considered.

Sir,

With reference to your letter No. 6832/M.L.69-13-40 dated the 9th January last, returning the draft bye-laws for licensing, regulating and inspecting Vegetable, Meat and Fish markets in the City and calling for the opinion of the Municipal Council on the modifications indicated therein, I have the honor to state as follows:-

2. The verbal alterations suggested in bye-laws Nos. 1, 3 5, 6, 7, 8, 10, 11 and 13 are accepted.

(i) Bye-law No. 13 is revised so as to make clear what is intended and also to conform to the existing practice about the levy of ground rent and gate fees.

(ii) Bye-laws 14 and 15 make it incumbent that a gate fee should be levied on all goods brought into the market, in addition to the stall or ground rent.

3. The gate fee is levied from a long time as per Municipal Council's resolution dated the 29th July 1864, a copy of which is herewith forwarded for reference. There is no other authority forthcoming in this office to warrant the levy. There is nothing however to prevent its levy under the Municipal Regulation

agulation if these bye-laws are sanctioned. The rates which were in force till the end of 1911-12 were those that were fixed by the Municipal Council some years ago. They were enhanced in 1912-13 by the Managing Committee and adopted from the current year in consideration of the general rise in prices.

4. Orr's Model bye-law No. 16 may be adopted as bye-law No. 17 as proposed. The verbal alterations suggested in bye-laws Nos. 19 and 28 are adopted.

5. The provisions in bye-laws Nos. 27 and 28 for regulating and controlling private markets seem sufficient at present as no such markets exist now nor are they likely to come into existence in the near future.

6. An additional, section, as 24 A, has been added under Section 24 to provide a penalty for breach of bye-laws other than Nos. 23 and 25.

7. A memo by the Vice President dealing with the several points as explained above was approved by the Managing Committee and the Municipal Council also, at their meeting held on the 28th March 1914, concurred with the Managing Committee in accepting the suggestions of the Vice President. Copies of the Vice President's memo and of the Council's resolution together with a copy of the draft bye-laws as now revised are herewith forwarded for the sanction of Government. The printed draft bye-laws received with the letter under reply are herewith returned as called for.

Also resolution of the Managing Committee dated the 14th March 1914 approving the Vice President's proposals in the matter.

Resolution:- The Council concurring with the Managing Committee accept the Vice President's proposals.

For Honorary President.

M E M O. 15

The verbal alterations in bye-laws Nos. 1, 3, 5, 6, 7, 9, 10, 11 and 13 may remain.

2. Bye-law No. 13 is revised as given below so as to make clear what is intended and also to conform to the existing practice about the levy of ground rent and gate fees.

" All shops, stalls and sittings which have not been let and are therefore vacant, may be utilised every day by occasional vendors on payment of ground rent at the following rates, provided they remove their goods daily at or before the time of closing the market so as to allow of its being thoroughly cleansed for the next day".

For an area of 5 feet X 5 feet
for a temporary shop.....0-0-3

do do for auction sales.....0-1-0

3. Bye-laws Nos. 14 and 15 make it incumbent that a gate fee should be levied on all goods brought into the market. This of course is in addition to the stall or ground rent.

It may be stated here, by way of explanation that both the stall rent and the gate fee do not fall on the same class of persons, those who casually bring articles into the market being different from those who rent the stalls permanently from the Municipality The latter are the middle men who buy the articles from the villagers, who bring them every day to the market, at a cheap wholesale rate and sell to their customers in retail for a profit.

4. The gate fee is levied from a long time as per Municipal Council's resolution dated the 29th July 1884 a copy of which is herewith put up. There is no other authority forth-coming in this office in support of it. There is nothing however to prevent

its

its levy under the Municipal Regulation if these bye-laws are sanctioned.

5. The rates which were in force till the end of 1911-12 were those that were fixed by the Municipal Council some years ago. They were changed enhanced in 1912-13 by the Managing Committee and adopted from the current year in consideration of the general rise in prices.

6. The substitution of Orr's Model bye-law No. 16 as quoted in the margin of page 3 of the bye-laws for draft bye-laws Nos. 17 and 18 may be adopted as bye-law No. 17.

7. The first part of bye-law No. 19 in the printed draft bye-law now becomes bye-law No. 18.

8. The verbal alterations in the later part of the above bye-law may be adopted and this may be given a separate number as bye-law No. 19.

9. The numbers given against the subsequent bye-laws in the printed draft bye-laws have to be retained.

10. The verbal alteration in bye-law No. 28 may be adopted.

11. The provision in bye-laws Nos. 27 and 28 for regulating and controlling private markets seem sufficient at present as no such markets exist now nor are they likely to come into existence in the near future. If, however people earnestly come forward to open markets at their own costs, their applications m may be considered in due course.

12. The following section may be added as section 24 A to provide a penalty for breach of bye-laws other than Nos. 23 and 25.

24 A - Any person who controvenes the bye-laws Nos. 10,11,16,17,18,19,20,21,22 and 24 shall on conviction before a Magistrate be liable to pay a fine

extending

extending to Rs50/-.
